Tuition is due monthly, and payments are due by the 1st day of each month. A \$25 late fee will be charged on the 6th day of the month for accounts not paid on time. For an account over 30 days, a child may be unenrolled until the account is paid in full. A \$30 fee will be charged for all returned checks. If this occurs more than once within a one-year period, all future payments must be made by cash, cashier's check or money order. A 30 day advance written notice of intent to withdrawal a child from school is required. You are responsible for full fees during the 30-day period.

Because the expenses of providing a high-quality care for your child are fixed and averaged out over the full 10-month school year, there will be no adjustments made for holidays, Christmas break, spring break, vacations or absences. Parents are responsible for full tuition payment whether their child attends school or not.

Tuition will not be adjusted for student absences for an inclement weather day. Registration fees will not be refunded.
